EDUCATION

University of Georgia <i>B.B.A. Risk Management & Insurance; Minor in Computer Science</i>	Athens, GA <i>Jan. 2025 – Present</i>
Georgia State University <i>Coursework in Computer Science & Business (Transferred)</i>	Atlanta, GA <i>Aug. 2023 – Dec. 2024</i>

EXPERIENCE

Accounting & HR Assistant (Seasonal) <i>Cheung Keung Holdings</i> – Rehired annually since 2020 to manage summer financial and HR operations. – Maintained Excel spreadsheets to track millions in cash inflows/outflows, receivables, and vendor payments. – Processed payroll for employees and organized HR records including contracts and compliance documentation. – Audited inventory against sales receipts to improve accuracy in monthly reporting.	Summer 2020 – Present <i>Atlanta, GA</i>
Line Cook & Relief Head Chef <i>Rakkan Ramen</i> – Led shifts of 6 staff, balancing operations, order flow, and customer service in a high-volume restaurant. – Coordinated with kitchen staff to prioritize and prepare the most popular dishes efficiently during peak hours. – Maintained prep stations and organized ingredient flow to reduce delays and keep service running smoothly. – Trained and mentored staff to improve compliance with health and safety standards.	2023 – 2025 <i>Atlanta, GA</i>
Tutor & Data Entry <i>Kumon Learning Center</i> – Tutored K–12 students in math and reading, focusing on measurable academic progress. – Entered and tracked student performance data in Excel, identifying trends and areas for improvement.	2022 – 2023 <i>Johns Creek, GA</i>

PROJECTS

Personal Portfolio Website <i>HTML, CSS, JavaScript</i> – Designed and deployed responsive portfolio with animations, sticky navigation, and contact form. – GitHub: Mathew-Website
Biometric Database Tool <i>Python, SQL, OpenCV</i> – Developed an authentication system with facial recognition integrated into SQL database. – Explored biometric applications to improve data security and verification methods.
E-Commerce / Resale Operation <i>Entrepreneurship, Excel</i> – Generated \$21K+ in revenue by reselling goods online, applying pricing optimization strategies. – Tracked revenue, expenses, and profitability using Excel dashboards and cashflow analysis. – Applied risk analysis by monitoring turnover rates, cost structures, and demand fluctuations.

LEADERSHIP

Asian American Student Association (UGA) <i>Logistics Chair</i> – Planned cultural and service events for 50+ members, coordinating venues, budgets, and vendors. – Collaborated with officers to ensure smooth execution of semester-long programming.	2025 <i>Athens, GA</i>
Asian American Student Association (GSU) <i>Service Committee Member</i> – Organized service opportunities and tracked 30+ member participation in community programs. – Developed partnerships with nonprofits to strengthen outreach and engagement.	2023 – 2024 <i>Atlanta, GA</i>
